AN IDEA BORN FROM THE MOST BASIC HUMAN NEED

CamelBak was established in 1989 after the company's founder made a prototype using an IV bag of water and a tube sock, inventing the first hands free hydration solution designed especially for cyclists needs. A lot has changed since then, except Camelbak's thirst for innovation and quality. Today CamelBak is a household name and market leader in the hydration category with a wide range of drinkware products.

STANLEY
SINCE 1913

S

BUILT FOR LIFE.

The Stanley brand has a rich 100+ year history. Born from inventor William Stanley Jr. who forever changed the way hot drinks were consumed, in 1913 he fused vacuum insulation and the strength of steel in one portable bottle, inventing the all-steel vacuum bottle we know and love today. In the century since, his vacuum bottle evolved from concept to icon and has become an essential part of workdays, road trips and outdoor adventures.

ENDLESS POSSIBILITIES ON EVERY BUDGET

No matter the budget, we make sure there's always something to match your needs. That's why our assortment is built around the idea of **Good, Better** and **Best**.

In the **Good** range, you'll discover affordable, entry-level products that are reliable and easy to use – perfect when you need practical, budget-friendly choices. Take our **Brady**, a 900 ml RCS-certified insulated tumbler – right on-trend and ideal for staying hydrated throughout the day.

Our **Better** selection offers the sweet spot between price and performance. These products give you that extra touch of quality and design, while still being great value for money. For example, the **Sydney** tumbler: a 1200 ml double-wall, RCS-certified copper vacuum insulated design that keeps drinks hot or cold for hours, complete with a durable Tritan™ straw.

If you're looking for something truly premium, our **Best** range delivers exclusive products from well-known brands. These are the high-end choices that stand out, such as the iconic **Stanley Quencher H2.O** – a 1200 ml tumbler known for its superior temperature retention, ergonomic handle and timeless design.

With the **Good-Better-Best** structure, there's always a drinkware option to match every budget – from practical entry-level pieces to premium brands.
